What If

Coldplay

What if there was no line
Nothing wrong, nothing right
What if there was no time
And no reason, or rhymeWhat if you should decide
That you don't want me there by your side
That you don't want me there in your lifeWhat if I got it wrong
And no poem or song
Could put right what I got wrong
Or make you feel I belong
And what if you should decide
That you don't want me there by your side
That you don't want me there in your lifeOoh ooh-ooh, that's right
Let's take a breath, jump over the side
Ooh ooh-ooh, that's right
How can you know it if you don't even try
Ooh ooh-ooh, that's rightEvery step that you take
Could be your biggest mistake
It could bend or it could break
That's the risk that you takeWhat if you should decide
That you don't want me there in your life
That you don't want me there by your side
Ooh ooh-ooh, that's right
Let's take a breath, jump over the side
Ooh ooh-ooh, that's right
How can you know it when you don't even try
Ooh ooh-ooh, that's right
Ohhh - Ooh ooh-ooh, that's right
Let's take a breath, jump over the side
Ooh ooh-ooh, that's right
You know that darkness always turns into light
Ooh-ooh-ooh, that's right
