

# Miss You

[Mariah Carey](#)

Baby baby, I miss you Longing for you everyday  
And I reach for you every night  
Baby, nothing's been the same  
Since the day we said goodbye And I can't go on  
Like this for too long Baby baby, I miss you Boy, I need you next to me  
And I'm hungering for your touch  
Caught up in the memories  
And you're all I'm thinking of 'Cause I can't get past  
What we used to have  
Baby baby, I miss you I'm talkin' 'bout how I used to like it  
When you whispered to me  
Tell me that you love me  
And those beautiful things  
Baby won't you come back  
'Cause I'm really in need I'm lost in your love  
And I don't know what to do with myself  
And I don't wanna be with nobody else  
I just think about you, think about us  
Think about how much  
I miss you All I do is reminisce  
Of the love that we used to share  
Can't recover from your kiss  
Because nothing else compares  
Ain't no substitute  
When it comes to you Baby baby, I miss you Vision of us hand in hand  
Come to me when I close my eyes  
Baby, I don't understand  
How we let it all slip by Tell me, can't we try?  
Maybe one more time Baby baby, I miss you I'm talkin' 'bout how I used to like it  
When you whispered to me  
Tell me that you love me  
And those beautiful things  
Baby won't you come back  
'Cause I'm really in need I'm lost in your love  
And I don't know what to do with myself  
I don't wanna be with nobody else  
I just think about you, think about us  
Think about how much  
I miss you Remember when our eyes first met  
I knew I'd never be the same again  
Why can't it just be like it was  
Enough is enough

Baby, I miss your love I'm talkin' 'bout how I used to like it  
When you whispered to me  
Tell me that you love me  
And those beautiful things  
Baby won't you come back  
'Cause I'm really in need I'm lost in your love  
And I don't know what to do with myself  
I don't wanna be with nobody else  
I just think about you, think about us  
Think about how much  
I miss you I'm talkin' 'bout how I used to like it  
When you whispered to me  
Tell me that you love me  
And those beautiful things  
Baby won't you come back  
'Cause I'm really in need I'm lost in your love  
And I don't know what to do with myself  
I don't wanna be with nobody else  
I just think about you, think about us  
Think about how much  
I miss you I'm talkin' 'bout how I used to like it  
When you whispered to me  
Tell me that you love me  
And those beautiful things  
Baby won't you come back  
'Cause I'm really in need I'm lost in your love  
And I don't know what to do with myself  
I don't wanna be with nobody else  
I just think about you, think about us  
Think about how much  
I miss you I'm talkin' 'bout how I used to like it  
When you whispered to me  
Tell me that you love me  
And those beautiful things  
Baby, won't you come back  
'Cause I'm really in need I'm lost in your love  
And I don't know what to do with myself  
I don't wanna be with nobody else  
I just think about you, think about us  
Think about how much  
I miss you
