Loving You Is Killing Me

Aloe Blacc

Loving you, is killing me
When you know it should be thrilling meLoving you, is choking me slowly
When I'm with you i still feel real lowlyLoving you, is busting me
You don't ever put your trust in meLoving you, should mean that I'm your king
You don't make me feel like anythingNow i never knew you'd be so evil
How did you get to be so evil yeahNow you telling me, that I'm bad to you
You don't know what your talking 'bout girlHear me when i say
You can't just do whatever you want, girl
Loving you, is killing me
When you know it should fulfill meLoving you, is aching me sadly
You know that it should make me happyLoving you, ain't worth all the suff'ring
In return you never give me nothingHere's the news about loving you
Well it's something that i used to doStop children, whats that sound
Looking my heart all over the groundStop children, what' you see
Why you keep shootin' at meI never knew you'd be so evil
How did you get to be so evil yeahNow you telling me, that I'm bad to you
You don't know what your talking 'bout girl
Hear me when i say
You can't just do whatever you want, girlLoving you
Is killing me
Is killing meLoving you
Is killing me
Is killing me yeahLoving you, is killing me
When you know it should be building meLoving you, is holding me back
Why the hell you make me feel like thatLoving you, ain't worth all the suff'ring
In return you never give me nothingHere's the news about loving you
Well it's something that i used to doI never knew you'd be so evil
How did you get to be so evil yeahNow you telling me, that I'm bad to you
You don't know what your talking 'bout girlHear me when i say
You can't just do whatever you want, girl
