

Ribcage

Crywolf & Ianborg

I'm alive
With the glory of your skin
Just a touch can take me deeper now
Just a touch can make me fall back in I think I found you in the fault lines
I think I felt you in my searing pain
I think I saw you from my window
You were dancing in the pouring rain Is this love that I've found?
Is this a new beginning? I wanna pull you against my skin and
I wanna know what goes on in that lovely mind

Hey
Lovely mind
Oh
You've got an ocean inside your bones and
I think I'm losing myself in your salty eyes

Hey
Salty eyes
Oh I'll survive with just a taste of how you live
Do you want to take me deeper now
Do you want to make me fall back in I can feel your ribcage
Pressing tight on the curve of my spine
Open up and allow my secrets in Is this love that I've found?
Is this a new beginning? I wanna pull you against my skin and
I wanna know what goes on in that lovely mind

Hey
Lovely mind
Oh
You've got an ocean inside your bones and
I think I'm losing myself in your salty eyes

Hey
Salty eyes
Oh
