

The Beginning

Little Mix

Ah, ah, ah, ah
Let's take it back to where we first began
They turned us strangers into closest friends
Turn the page and see the wonder that's here for you and I was all so different once upon a time
But now the spark we got won't ever die (oh)
Close your eyes and feel the magic, don't ever let it go
Ah, ah A bit of me
A piece of you
With a sprinkle of attitude
A little dream
A lotta love
Turn up the heat, baby, don't give up
Yeah, I know we've come so far
But it's just the beginning
Ah, ah
Yeah, I know we've come so far
But it's just the beginning
