

# We're Young and Beautiful

Carrie Underwood

While we're young and beautiful  
Kiss me like you mean it  
Treat me like I'm special  
Cover me with sweetness  
'Cause a time will come  
When I'm not so young and beautiful While we're young and beautiful  
Living free and easy  
Here without a worry  
Dancing in our bare feet  
'Cause when the summer's done  
When I not be so young and beautiful It's a crazy ride  
And baby, you and I  
Are keeping our sweet love alive  
Tonight, while we're young and beautiful  
While we're young and beautiful  
We'll party down on Main street  
Wearing next to nothing  
Feeling every heart beat  
Having fun, while we're still young and beautiful Oh, it's a crazy ride  
And baby, you and I  
Are keeping our sweet love alive  
Tonight, while we're young and beautiful Beautiful, beautiful, young and beautiful  
Oh beautiful, beautiful, young and beautiful Oh, it's a crazy ride  
And baby, you and I  
Are keeping our sweet love alive  
Tonight, while we're young and beautiful  
Oh, so beautiful  
While we're young and beautiful  
Cover me with sweetness  
While we're young and beautiful  
Kiss me like you mean it  
Like you mean it, like you mean it  
Like you mean it, like you do  
Oh, yeah, oh so beautiful
