

# Another Way to Die

Alicia Keys & Jack White

I know the player  
With the slick  
Trigger finger  
For Her Majesty  
Another one  
With the  
Golden tone voice  
And then your fantasy  
Another bill  
From a killer  
Turned a thrill  
Into a tragedy  
A door left open  
A woman walking by  
A drop in the water  
A look in the eye  
A phone on the table  
A man on your side  
Someone that you think  
That you can trust is just  
Another tricky little gun  
Giving solace to the one  
That will never see  
The sunshine  
Another inch of your life  
Sacrificed  
For your brother  
In the nick of time  
Another dirty money  
Heaven sent honey  
Turning on a dime  
A door left open  
A woman walking by  
A drop in the water  
A look in the eye  
A phone on the table  
A man on your side  
Someone that you think  
That you can  
Trust is just  
Wo-oh-oh-oh-oh-oah!  
Oh-oh-oh-oh-oh-oh!  
Oh-oh-oh-oh-oh-oh!  
Another girl  
With her finger  
On the world singing?  
Another gun thrown down

And surrendered  
Took away your fear  
Hey! Another man  
That stands right  
Behind you  
Looking in the mirror  
Oh, a door left open A woman walking by  
A drop in the water  
A look in the eye  
A phone on the table  
A man on your side  
Oh  
Someone that you think  
That you can trust  
Is just another way to die
