How to Love (feat. Sofia Reyes) [Acoustic]

Cash Cash

One two threeI've been running from the pain

Trying not to feel the same

But it's a shame that we're sinking

See my confidence is shaking

And my heart is feeling vacant

So you try to fill it in You say "I can fix the broken in your heart

You're worth saving darling"

But I don't know why you're shooting in the dark

I got faith in nothingBut love, pray for me

I never had somebody

So I don't know how to love

Pray for me

I know I need somebody

So I can learn how to love

How to love(Love)

How to love(Love)

How to love(Love)

I know it's been a while

Cause my memory's on trial

For the way I used to beMy head is running miles

Round in circles and I try

To find the little to light in me

You say "I can fix the broken in your heartYou're worth saving darling"

But I don't know why you're shooting in the dark

I got faith in nothing

But love, pray for me

I never had somebody

So I don't know how to love

Pray for me

I know I need somebody

So I can learn how to love

How to love(Love)

How to love(Love)

How to love(Love)

I know I need somebody

I know I need somebody

I know I need somebody

So I can learn how to love

How to love

How to love

So I can learn how to love

How to love

How to love
How to love
Love, love, love, love, love, oh
I know I need somebody
I know I need somebody
I know I need somebody
So I can learn how to love
Pray for me
How to love(Love)
How to love(Love)
