Angel Down

Lady Gaga

I confess I am lost
In the age of the social
On our knees, take a test
To be loving and gratefulShots were fired on the street
By the church where we used to meet
Angel down, angel down
But the people just stood aroundI'm a believer, it's a trial
Foolish and weaker, oh, oh, oh
I'd rather save an angel downI'm a believer, it's chaos
Where are our leaders? Oh, oh, oh
I'd rather save an angel down
Doesn't everyone belong in the arms of the sacred?
Why do we pretend we're wrong?
Has our young courage faded?Shots were fired on the street
By the church where we used to meet
Angel down, angel down
Why do people just stand around?I'm a believer, it's a trial
Foolish and weaker, oh, oh, oh
I'd rather save an angel downI'm a believer, it's chaos
Where are our leaders? Oh, oh, oh
I'd rather save an angel downI'm a believer, it's a trial
Foolish and weaker, oh, oh, oh
I'd rather save an angel down, oh
I'm a believer, it's chaos
Where are our leaders? Oh, oh, oh
I'd rather save an angel downSave that angel, hear that angel, catch my angel
Save that angel, hear that angel, catch my angel
Hear that angel, hear that angel, catch my angel
Save that angel, hear that angel, catch my angel
Hear that angel, catch my angel
