

That's Pep!

Devo

Vigor vim vitality and punch
The ability to act on a sudden hunch Nerve to tackle the hardest thing
Feet that climb and hands that cling
A heart that never forgets to sing That's pep
That's pep
That's pep Sand and grit in a concrete base
A friendly smile on an honest face
A spirit that helps when another's down
Knows how to scatter the blackest frown
Love's it's neighbor love's it's town That's pep
That's pep
That's pep
That's pep Say "I will" for you know you can
Look for the best in every man Meet each thundering knockout blow
Come back with a smile 'cause you know
You get the best of the whole damn show
That's pep
That's pep
That's pep
That's pep
That's pep
That's pep You know that's pep
