## Tyrant (Remix) [feat. Daniel Caesar]

## Kali Uchis

Na uh uh uh uh uh uh

Uh uh uh uh

Uh uh uh uh uh

Baby dímelo

Uh uh uh uh

Dímelo, dímelo, dímeloAll I hear is sirens

In a world so violent

Would you be a tyrant?

If I gave you power

Would you take it out

Look me in my iris

I can read your silence

When everything is a riot

You're my peace and quiet

All around we go

Your lovin' is like a kaleidoscope

I don't wanna come down

Keep spinnin' me 'round and 'round

And 'round and 'round and 'round

Wanna seize the throne

But what would you do with all that control

I don't wanna come down

Keep spinnin' me 'round and 'round

And 'round and 'roundWord on the street, you got hoes

I disappear like El Chapo

'Til you said you would cut off the whole world

If little old me would be yours

Mira, mira, míralo (míralo, míralo)

Papi está rico, papi está guapo (papi está guapo)

The worlds been asking us to lose control

All we ever do is French like Brigitte Bardot (Brigitte Bardot)

All around we go (all around, all around)

Your lovin' is like a kaleidoscope

I don't wanna come down

Keep spinnin' me 'round and 'round

And 'round and 'round (around, around)

Wanna seize the throne (I know you wanna, I know you wanna)

But what would you do with all that control

I don't wanna come down

Keep spinnin' me 'round and 'round

And 'round and 'round (around, around)Uh uh uh uh

Baby dímelo Uh uh uh uhUh uh uh Uh uh uh uh uh

Dímelo, dímelo, dímeloJeez Louise, Danny Caes

Power's gon' to your head, boy I see

Let me put your mind at ease

You wanna be a tyrant

Do you have it in you?

See, life is crazier now

I know you're just tryna figure it out

How to be the man without

And still be baby Danny

Bring honor to your family

PeaceAll around we go (all around, all around)

Your lovin' is like a kaleidoscope

I don't wanna come down

Keep spinnin' me 'round and 'round

And 'round and 'round (around, around)

Wanna seize the throne (I know you wanna, I know you wanna)

But what would you do with all that control

I don't wanna come down

Keep spinnin' me 'round and 'round

And 'round and 'round (around, around)Uh uh uh uh
