

The Calling (feat. Eric Clapton)

Santana

People, people, people, people
People, people, people, people
Here me calling
Here me calling People, people, people, people
People, people, people, people
Here me calling
Here me calling One love, one love
Lord, got a mother for love
People, people, people, people
People, people, people, people
Here me calling
Here me calling People, people, people, people
People, people, people, people
Here me calling
Here me calling
One love, one love
Lord, got a mother for love
One love, one love, one love
Lord, got a mother for love One love, one love, one love
Lord, got a mother for love
