

What a Woman Wants To Hear

Anderson East

Calico quilt and muscadine wine
Silver moon, candlelights
Pretty little girl, come here
I want to tell you what a woman, tell you what a woman wants to hear
Fine Merlot that you had
in my yard
Innocent, from the start
Gonna lay you down, make it clear
I'll tell you what a woman, tell you what a woman wants to hear
You really turn my head in that
cotton-red sundress
Sitting cross-legged, bitching 'bout your ex
You're turnin' me on, when they call last call
You said "let's get out of here"
Pretty Little girl, I'll make it clear
I'll tell you what a woman, tell you what a woman, tell you what a woman wants to hear
Wanna talk about tomorrow like it's a real thing
I'll see you when I come to town next spring
Whisper nothings in your ear
I'll tell you what a woman, tell you what a woman wants to hear
You really turn my head in that
cotton-red sundress
Sitting cross-legged, bitching 'bout your ex
You're turnin' me on, when they call last call
You said "let's get out of here"
Pretty little girl, I'll make it clear
I'll tell you what a woman, tell you what a woman, tell you what a woman wants to
hear
I'll tell you what a woman, tell you what a woman wants to hear
You really turn my head in that cotton-red sundress
Sitting cross-legged, bitching 'bout your ex
You're turnin' me on, when they call last call
You said "let's get out of here"
Pretty little girl, I'll make it clear
I'll tell you what a woman, tell you what a woman, tell you what a woman wants to
hear
I'll tell you what a woman, tell you what a woman wants to hear
I'll tell you what a woman, tell you what a woman, tell you what a woman wants to
hear
