

# Sober

## Childish Gambino

And now that's it's over  
I'll never be sober  
I couldn't believe  
But now I'm so high  
And now that's it's over  
I'll never be sober  
I couldn't believe But now I'm so high  
Now I'm so high  
Now I'm so high  
Now I'm so high  
Girl  
What's your problem Cause I know it's hard sometimes  
Baby just give it some time  
Oh honey now girl  
We can solve them  
If you just give me some time I can open up your mind If you le-le-let it shine  
You can free-ee-ee your mind Cause I know  
And now that's it's over  
I'll never be sober I couldn't believe  
But now I'm so high  
And now that's it's over I'll never be sober  
I couldn't believe  
But now I'm so high  
Now I'm so high  
Now I'm so high  
Now I'm so high  
Girl  
If it's done right  
Well you know it's got to be  
Something wonderful to me  
Oh honey now girl  
Give it one night  
If you just give it a chance  
Loving you is not my plan  
Cause I know one day you'll see  
All the things that we can be  
And now that's it's over  
I'll never be sober  
(I want to be the only one)  
I couldn't believe  
But now I'm so high  
And now that's it's over

I'll never be sober  
I couldn't believe  
But now I'm so high  
But now I'm so

...

And now that's it's over  
I'll never be sober  
I couldn't believe  
But now I'm so high  
Now I'm so high  
Now I'm so high  
Now I'm so high
