

# Let It Be Me

Ray LaMontagne

There comes a time  
A time in everyones life  
Where nothing seems to go your way  
Where nothing seems to turn out right  
There may come a time  
You just can't seem to find your place  
For every door you open  
Seems like you get two slammed in your face  
Thats when you need someone  
Someone that you you can call when all your faith is gone  
It feels like you can't go on  
Let it be me  
Let it be me  
If it's a friend that you need  
Let it be me  
Let it be me  
Feels like your always coming up last  
Pockets full of nothin aint got no cash  
No matter where you turn, you aint got no place to stand  
you Reach out for something and they slap your hand  
I remember all too well  
Just how it feels to be all alone  
You feel like youd give anything  
For just a little place you can call your own  
Thats when you need someone  
Someone that you you can call  
When all your faith is gone  
Feels like you can't go on  
Let it be me  
Let it be me  
If it's a friend you need  
Let it be me  
Let it be me  
Let it be me  
Let it be me  
If it's a friend you need  
Let it be me  
Let it be me  
Let it be me
