

# Meet Me in the City

## North Mississippi Allstars

Meet me over in the city  
We'll make everything alright now girl don't  
We'll get together oh yes we will girl  
Oh yes we will  
We'll make everything alright now honey don't, oh honey don't  
So please, please don't leave me right now girl, right now, no You got me baby, you got me girl  
You got me where you want me baby yeah yeah yeah  
You know you are satisfied girl  
Now there's one more thing I wanna say right now  
Don't leave me girl  
So please, please don't leave me right now girl, right now, no  
Sometime I think I will babe  
Yet I'll give my m-m-mind a change  
And tell me don't leave right now  
I'm still backin' you baby  
Please, please don't leave me right now girl, right now, no
