

# Be Here (feat. D'Angelo)

Raphael Saadiq

You should be here  
You should really be here with me, babe  
(You should really be here with me, babe)  
You should be here  
Girl, you know you drive me crazy  
(Girl, you know you drive me crazy)  
You should be here  
You should really be here with me, babe  
(Ooh ooh ooh)  
You should be here  
I just wanna drive you crazy  
You should be here in the mornin' time  
When I'm makin' my breakfast  
You should be here beneath me  
To feel me, to heal me  
You should be here to ride me  
To trap me and climb me  
You should be here, I'm a good man  
And I work hard on my night job You should be here  
Let me show you what you're missin' every day  
You should be here  
Once I get you, you ain't never gonna walk away  
You should be here  
Well, I got more than just a bit and some money  
Girl, I wish you were here  
You should be here, you should be here  
You should be here in the evenin'  
Get to squeezin', teasin'  
Forget the reasons  
Why you're shook up  
Oh, lately you should see the tricks that I got  
Oh, for you, mama  
Specially in be my lady  
Let's get lazy and make babies, you make me hot You should be here  
Let me show you what you're missin' every day, yeah  
You should be here  
Once I get you, you ain't never gonna walk away, yeah  
You should be here  
See, I got more than just some good and some money  
Ooh, girl, I wish you were here  
You should be here, you should be here  
'Cause I don't like bein' lonely You should be here with me, babe (You should be here

With me, babe)  
Girl, you know you drive me crazy (Girl, you know you  
Drive me crazy)  
You should really be here with me, babe (You should  
Really be here with me, babe)  
I just wanna drive you crazy (I just wanna drive you  
Crazy) You should be here  
Oh yeah {Oh yeah, yeah, yeah}  
You should be here  
Oh, oh, oh, oh, yeah  
You should be here  
Oh oh oh {Yeah, yeah, yeah}  
Ooh, girl, I wish you were here  
I wish you were here with me, baby {Girl, I wish you  
Were here} You should be here  
You don't know what you are missin'  
You should be here  
For in my dreams last night I think I had you  
Everywhere  
You should be here  
Well, I got more than just a bit and some money  
Ooh, girl, I wish you were here  
You should be here, you should be here, yeah, yeah  
Yeah, yeah Said I really want, babe (I said I really want you  
Babe)  
Said I really want, babe (Wish you were here with me)  
Said I really want, babe  
Said I really want, babe {Oh, really, really want you  
Alone with me}  
Said I really want, babe  
Said I really want, babe {Said I really want you alone  
With me}  
Said I really want, babe, hey, hey
