

# When You're Gone

Mary J. Blige

Seems like we were right  
But you always have a problem with everything  
Appreciate your advise but sometimes I have trouble managing  
Now that I'm paying attention I see how beautiful you are  
But when you spend so much time together now everything can get so dark Oh when you're gone  
I'd miss you like I did when we were first together  
No one in this world could hold me better  
Just tell me when you're coming home When you're gone  
I'd miss you like you took a piece of me with you  
Didn't think I'd care that much, did ya?  
Just tell me when you're coming home  
Seems like we were right  
But today I woke on the wrong side  
I need silence to keep me right  
Otherwise the day won't be nice  
I wanna laugh with you again  
Just like you are my best friends  
But friends can always breathe  
And we're too close, and too close is never easy I'd miss you like I did when we were first  
together  
No one in this world could hold me better  
Just tell me when you're coming home  
When you're gone  
I'd miss you like you took a piece of me with you  
Didn't think I'd care that much, did ya?  
Just tell me when you're coming home  
I'm not alone  
Until you leave me  
Now we all get to sleep tonight  
Cause you're not here beside me  
When you're away it's never easy  
You make it all alright  
I miss you When you're gone  
I'd miss you like I did when we were first together  
No one in this world could hold me better  
Just tell me when you're coming home  
When you're gone  
I'd miss you like you took a piece of me with you  
Didn't think I'd care that much, did ya?  
Just tell me when you're coming home
