

Tears From The Moon (feat. Sinéad O'Connor)

Conjure One & Rhys Fulber

Couldn't sleep so I went out walking
Thinking about you and hearing us talking
And all the things I should have said
Echo now, inside my head I feel something falling from the sky
I'm so sad I made the angels cry Tears from the moon
Fall down like rain
I reach for you
I reach in vain Tears from the moon, tears from the moon It just ain't fair this thing called loving
When one's still there and the other feels nothing
I would have done anything for you
I still love you, baby I adore you
All day I keep from falling apart
But at night when the sky gets dark Tears from the moon
Fall down like rain
I reach for you
I reach in vain Stop,
Stop haunting me
It should be easy
As easy as when you stopped wanting me Tears from the moon
Fall down like rain
I reach for you
I reach in vain
Tears from the moon
Fall down like rain
but tears from the moon
can't wash away the pain Tears from the moon, tears from the moon
Tears from the moon, tears from the moon
