

# Play My Music

## Jonas Brothers

Turn on that radio  
As loud as it can go  
Wanna dance until my feet can't feel the ground (feel the ground)  
Say goodbye to all my fears  
One good song, they disappear  
And nothing in the world can bring me down (bring me down) Hand clapping, hip shaking  
Heart breaking, there's no faking  
What you feel, when you're right at home, yeah (yeah) Music's in my soul  
I can hear it every day and every night  
It's the one thing on my mind  
Music's got control  
And I'm never letting go, no, no  
I just want to play my music (woo, music)  
Got my six string on my back  
Don't need anything but that  
Everything I want is here with me (here with me)  
So forget that fancy car  
I don't need to go that far  
What's driving me is following my dreams, yeah (yeah) Hand clapping. earth shaking  
Heart breaking, there's no faking  
What you feel, when you're on a roll, yeah (yeah) Music's in my soul  
I can hear it every day and every night  
It's the one thing on my mind  
Music's got control  
And I'm never letting go, no, no  
I just want to play my music  
I just want to play my music  
Can't imagine what it'd be like (what it'd be like)  
Without the sounds of all my heroes  
Singing all my favorite songs  
So I can sing along Music's in my soul  
I can hear it every day and every night  
It's the one thing on my mind  
Music's got control  
And I'm never letting go, no, no  
I just want to play my music Music's in my soul  
I can hear it every day and every night  
It's the one thing on my mind  
Music's got control  
And I'm never letting go, no, no  
I just want to play my music all night long (yeah)
