Ballin' so hard like I play for the Lakers (yeah) Movies what I'm makin', new Jacuzzi's what I
bathe in
Jewelry, all it's paid for, new whip fully automated
Born a hater, chances are you that won't die the same

Make a couple million
I suggest you buy some change
Major cake is what I make, that's why they envy me
I make the plays that win the game, so I'm the MVP
Smokin' chemistry, they ain't who they pretend to be
Strictly business, ain't no feelings in this industry
Smokin' on some KK I just grew myself
Never send someone for shit I wouldn't do myself
Used to trip on all my niggas when the weed's gone
Now I ain't stressin' 'cause I got my own weed farm
(A-yeah, a-what?) Ooh, huh, yeah, huh (hahaha, what?)
Get your lil' bitch 'fore I take her
(Get your lil' bitch 'fore I take her, huh)

Gettin' money, money maker (what? Yeah)
Hop in my Lamb' and I'm skatin' (what?)
Ballin' so hard like I play for the Lakers (yeah)
