Save

The Rocket Summer

I'm not feeling touch
I'm not making that much
And I guess I am blessed
But sometimes it's just hard to see it suchI'm stuck here alone in the traffic lines
For couples in love in the h-o-v flyby
I don't get it, I'm not asking for much
But everybody wants to just have somethingSo I'll be picking me up,
Breaking me down
I was lost, was I found?
I wanna feel everything
When everything feels wrong with me
Take a look and brace myself
Everybody wants to make it count
Save me
'Cause I can never float, sinking
Amaze me
And I would be there holding on for lifeIs it in it, yeah sit in
Inside this drab apartment
The walls are blank,
It's like they're talking to me.
I put a picture on the wall
I took a chance, I took a fall
She took off fast and gracefully
Yes I was blind and now I see.And I was picking me up,
Breaking me down
I was lost, was I found?
I wanna feel everything
When everything feels wrong
Take a look and brace myself
Everybody wants to make it count
Save me
'Cause I can never float, sinking
Amaze me
And I would be there holding on for lifeAnd I could tell,
From the picture I could feel
I was sinking.
Pull me out, bring me back to life
The colors that my eyes had never seen
Well I can see it nowSave me
'Cause I can never float, sinking
Amaze me
And I would be there holding on for lifeSave me

'Cause I can never float, sinking
Amaze me
And I would be there holding on for lifeSo save me
Save me
Save me
Save me
