Pop's Love Suicide

Stone Temple Pilots

Can you figure out what I want?

Pull the trigger with a pop gun

Mindless fools that aggravate it

Pick at you in desperationOh it's a love pop suicide

Oh I'm in love pop suicide

Oh I really don't knowPop life living is so real

Midwest farmers' kids are milkfed

Breed and incubate what you see

Ten years later here on TV

Oh it's a love pop suicide

Oh I'm in love pop suicide

Oh I really don't know

Oh I really don't know

Oh I really don't know

Oh I really don't knowFather can't you love your women?

Father can't you teach your children?

Long range love implosion short wicked

Short wave mind explosion [Incomprehensible]Oh I'm in love pop suicide

About a pop star homicide

Oh I really don't know

Oh I really don't know

Tell me somethin' about you

Tell me somethin' about you

Oh I really don't know

Tell me somethin' about you

Tell me somethin' about you

Tell me somethin' about you
