

# White Rabbit

## Egypt Central

Your magic, white rabbit  
Has left its writing on the wall  
We follow like Alice  
And just keep diving down the hole You can't fix your broken promise  
Our ties have come undone  
I will not be used to be battered and abused  
It's the reason why I choose to cut my losses  
Your lies fool no one  
Your magic white rabbit  
Your white room straight jacket Your magic, white rabbit  
Has left its writing on the wall  
We follow like Alice  
And just keep diving down the hole  
We're falling and we're losing control  
You're pulling us and dragging us down this dead end road  
We follow like Alice  
And just keep diving down the hole  
You can't offer your poison to me  
In your kingdom of filth  
White Rabbit  
Straight jacket Your magic, white rabbit  
Has left its writing on the wall  
We follow like Alice  
And just keep diving down the hole  
We're falling and we're losing control  
You're pulling us and dragging us down this dead end road  
We follow like Alice  
And just keep diving down the hole I won't be pushed aside  
I will be heard  
I will get what I want  
What I deserve  
I won't be pushed aside  
I will be heard  
I will get what I want  
What I deserve We're falling and we're losing control  
You're pulling us and dragging us down this dead end road Your magic, white rabbit  
Has left its writing on the wall  
We follow like Alice  
And just keep diving down the hole  
We're falling and we're losing control  
You're pulling us and dragging us down this dead end road  
Your magic, white rabbit

Has left its writing on the wall  
We follow like Alice  
And just keep diving down the hole  
Diving down the hole!
