Brand new motherfucking, yeah
Hit the store, I just dropped a fo'
I just dropped a deuce
Dropped the bag on 'em
Woah, kill it! Smokin' ooh, P1 aqua blue
Just switched up the shoe
I cannot put Kobe's on my new shit
I'm in 22
Hit the store, I just dropped a fo'
I just dropped a deuce
Chicken hoe, mix it in the bowl
Stripped it like it new, ooh
All white Maybach, bitch I'm slippin' through
Smokin' ooh, P1 aqua blue
Just washed up the shoe
I cannot let hoes sleep in my new house
Gave that bitch the boot, ooh
Fuck the-fuck the club I'm in the basement with the bag
Baggin' up, told my momma I'll stop serving if I go platinum
I might cop her some red bottoms if the hoe bad enough
Red dot on pussy niggas, we just toe taggin' 'em Fuck the-fuck the club I'm in the basement with
the bag
Baggin' up, told my momma I'll stop serving if I go platinum
I might cop her some red bottoms if the hoe bad enough
Red dot on pussy niggas, we just toe taggin' 'em Taggin' 'em, taggin' 'em, body-baggin' 'em
Club said we can't bring the strap wit' us
We gon' stab 'em up
Two hoes can't fit in this stand wit' us
We gon' lap 'em up
Duck down then I Deion Sander'd her
One night standed her
Ooh, fucked it up, I bend it over from the back standin' up
I was on the run, screams, and the gat standing up
I just took Russian home to Malibu, tearin' 'em up
Put the pussy on the beat and get the camera
Fuck the-fuck the club I'm in the basement with the bag
Baggin' up, told my momma I'll stop serving if I go platinum
I might cop her some red bottoms if the hoe bad enough
Red dot on pussy niggas, we just toe taggin' 'em Fuck the-fuck the club I'm in the basement with
the bag
Baggin' up, told my momma I'll stop serving if I go platinum
I might cop her some red bottoms if the hoe bad enough

Red dot on pussy niggas, we just toe taggin' 'em
