

Mack Truck

John Rich

What's up y'all? This is Kid Rock
Turn it up, turn that sh*t up
Hit me like a Mack Truck
Yeah she hit me, yeah she hit me likeShe hit me like a Mack
Hit me like a Mack
Hit me like a Mack
Hit me like a Mack TruckI don't wanna beg but I think I'm gonna have to
Never laid my eyes on a girl so fine
Riding her pound on the disco saddle
Ripping that horn and blowing my mindShe hit me like a Mack
Hit me like a Mack
Hit me like a Mack
Hit me like a Mack Truck
Hit me like a Mack
Hit me like a Mack
Hit me like a Mack
She hit me like a Mack TruckPlatinum spurs and a shredded up blue jeans
Drop jaw bonnet with a come on grin
Peterbilt mama with a pedal on the floorboard
Running me over again and againShe hit me like a Mack
Hit me like a Mack
Hit me like a Mack
She hit me like a Mack TruckHit me like a Mack
Hit me like a Mack
Hit me like a Mack
She hit me like a Mack Truck
Hoo
Aw, play the fiddle, sonHit me like a Mack
Hit me like a Mack
Hit me like a Mack
Hit me like a Mack TruckHit me like a Mack
Hit me like a Mack
Hit me like a Mack
Yeah, she hit me like a Mack TruckHit me like a Mack
Hit me like a Mack
Hit me like a Mack
She hit me like a Mack TruckHit me like a Mack
Hit me like a Mack
Hit me like a Mack
She hit me like a Mack TruckMack Truck
