

Sweetest Devotion

Adele

With your loving
There ain't nothing
That I can't adore
The way I'm running with you honey
Means we can break every law
I find it funny that you're the only
One I never looked for
There is something in your loving
That tears down my walls I weren't ready then
I'm ready now
I'm heading straight for you
You will only be eternally
The one that I belong to
The sweetest devotion
Hit me like an explosion
All of my life I've been frozen
The sweetest devotion I know I'll forever be whatever
You want me to be
I'd go under and all over
For your clarity
When you wonder
If I'm gonna lose my way home just remember
That come whatever I'll be yours all along I weren't ready then
I'm ready now
I'm heading straight for you
You will only be eternally
The one that I belong to
The sweetest devotion
Hit me like an explosion
All of my life I've been frozen
The sweetest devotion I know I've been looking for you baby
In every face that I've ever known
And there is something about the way you love me
That finally feels like home
You're my light you're my darkness
You're the right kind of madness
You're my hope you're my despair
You're my scope of everything everywhere The sweetest devotion
Hit me like an explosion
All of my life I've been frozen
The sweetest devotion I know The sweetest
It's the sweetest

The sweetest
It's the sweetest
The sweetest
It's the sweetest
The sweetest
It's the sweetest Devotion
