

Without You

Lucy Pearl

Girl, you know I want you
And I don't know what to do without you
(I know you need me too)
All I know is I love you, girl
And you need me just like I need you
(I want you, you want me too)
And I want you, baby Yeah, yeah, yeah
No matter what you do
I will hold on to you
You should stay down for me
Follow your heart and you will see
You will see(Without you)
I can't walk, I can't talk
What can I do?
(Without you)
I can't eat I can't sleep
What can I do?(Without you)
Nowhere to go, nowhere to turn
What can I do?
(Without you)
Without you, without you Try to imagine me and you
Hand in hand as we watch the moon
It doesn't matter where we are
(Cause you are always in my heart)
'Cause you are always in my heart, yeah yeah(Without you)
I can't walk, I can't talk
What can I do?
(Without you)
I can't eat, I can't sleep
What can I do?(Without you)
Nowhere to go, nowhere to turn
What can I do?
(Without you)
Without you, without you, girl, yeah yeah I love you
(Yeah, yeah)
You need me too
(You know I want you) I want you
(Girl, I know)
You want me too
(You know you need me) You need me
(Girl, you know that)
I need you too

(You know you love me) You love me
(Girl, you know that)
I love you too
(You know you love me) What else
(What else)
Meant to be You see I love you, babe
(I love you)
Yeah, yeah, yeah
(You need me too) You know I want you, babe
(I want you)
And you want me too
(You want me too) You know I need you, baby
And you need me too
(I need you too)
You know I love you, baby
And you love me too
(I love you) (Without you)
I can't walk, I can't talk
What can I do (Without you)
I can't eat, I can't sleep
What can I do? (Without you)
I know one day what to do, girl
(Without you)
Without you, without you, girl, yeah yeah (Without you)
I don't know which way to go, which way to turn
(Without you)
Now I don't even know myself sometimes, baby (Without you)
I know one day what to do, girl
(Without you)
Without you, without you, girl, yeah yeah (Without you)
Yeah, yeah, yeah, yeah
(Without you)
Yeah, yeah, yeah, yeah
(Without you)
