

# Hotdamalama (DJ DU Remix)

## Parmalee

She got that delta donk  
She got that drop the hammer  
She got that talking ya'll knock at ya'll country grammar  
She got that south side amen dialed in  
Hotter than a summer tent revival down in Alabama  
Sweet home sweet home turn it up  
Ought to be a law against the way she keeps back in it up  
She got that delta donk  
She got that drop the hammer  
She got that talking ya'll knock at ya'll country grammar  
She got that south side amen dialed in  
Hotter than a summer tent revival down in Alabama  
Sweet home sweet home turn it up  
Ought to be a law against the way she keeps back in it up  
Oh yeah she's every bit of all that  
Oh yeah that girl is like a first class high dollar ticket on the chattanooga choo-choo  
Can I get a woo woo  
Oh yeah she kicks it like a rocket  
Cutoffs clinging to her pocket  
Talkin bout a home run grand slamalamala  
Front to back jack picture perfect panorama  
She's a super fine reason to rhyme  
HotdamalamaWe like a snapshot paparazzi camera  
Before the break up blake and Miranda Lambert  
She got them show enough coming in runner up  
Panama city wet t-shirt mrs Banana  
Boats boats motorboatin  
Man it's a handful juggling all these emotions  
Oh yeah she's every bit of all that  
Oh yeah that girl is like a first class high dollar ticket on the chattanooga choo-choo  
Can I get a woo woo  
Oh yeah she kicks it like a rocket  
Cutoffs clinging to her pocket  
Talkin bout a home run grand slamalamala  
Front to back jack picture perfect panorama  
She's a super fine reason to rhyme
