## **Small Town**

## John Mellencamp

Well, I was born in a small town And I live in a small town Prob'ly die in a small town Oh, those small communitiesAll my friends are so small town My parents live in the same small town My job is so small town Provides little opportunityEducated in a small town Taught the fear of Jesus in a small town Used to daydream in that small town Another boring romantic, that's me But I've seen it all in a small town Had myself a ball in a small town Married an L.A. doll and brought her to this small town Now she's small town just like meNo, I cannot forget from where it is that I come from I cannot forget the people who love me Yeah, I can be myself here in this small town And people let me be just what I want to beGot nothing against a big town Still hayseed enough to say, "Look who's in the big town" But my bed is in a small town Oh, and that's good enough for me Well, I was born in a small town And I can breathe in a small town Gonna die in this small town And that's probably where they'll bury me Song Discussions is protected by U.S. Patent 9401941.
