Crash

Ooh ooh
YeaahSometimes words get in the way
Sometimes love is hard to explain
We both fantasize, day to day
Your friends say, what more can they say
They just wanna see us crash,
and I just wanna make it last!
Maybe we're moving too fast,
but I don't wanna feeling impressedSo, I think it's 'bout time for me to come to brace
We're too cars speeding down one way,
and I don't wanna make the wrong decision
Looks like we heading straight for collision, collision
Looks like we heading straight for collision, collision
I turn left, you go right
Yeah we get lost, and we both fight
I'm tryina get in the right direction
This is inadequate, waiting to happen noo
They just wanna see us crash,
and I just wanna make it last
Maybe we're moving too fast,
but I don't wanna feeling impressedSo, I think it's 'bout time for me to come to brace
We're too cars speeding down one way
and I don't wanna make the wrong decision
Looks like we heading straight for collision, collision
Looks like we heading straight for collision, collision
I know that some day, one day
We're gonna get to the top, we ain't gonna stop
We moving forward forward
For we to survive, it's time we try this long way travel
I've got a lot to handle
So we can't take the back road
Baby we are so much more, moreSo, I think it's 'bout time for me to come to brace
We're too cars speeding down one way
and I don't wanna make the wrong decision
Looks like we heading straight for collision, collision
Looks like we heading straight for collision, collisionLooks like we heading straight for collision, collision
Looks like we heading straight for collision, collision
Yeah yeah!
Looks like we heading straight for collision, collision
Uuuh yeah!Slow me down slow me down baby, hey hey!!

Slow me down slow me down baby, hey hey!!
