

Dirty Lil' Girl

Twiztid

Thanks for the pussy baby,
Now I gotta go,
You were so freaky, lady,
But you're just another ho,
Thanks for the pussy baby,
Now I gotta go,
You were so freaky lady,
But you're just another ho, When you sucked my dick,
And I came all over your lip (oh shit),
The way you rubbed my ass,
Made me cum all up in my pants (oh shit), (Man, I can't beleive the way this bitch, tounge my balls,
She had my dick so hard, I couldn't even fit it back in my drawers,)
Thanks for the pussy baby,
Now I gotta go,
You were so freaky, lady,
But you're just another ho,
Thanks for the pussy baby,
Now I gotta go,
You were so freaky lady,
But you're just another ho, (I really ain't too much for that singing shit but uh) (Grab up on that littlecuit) Everytime I see your face, (Balls deep in your little cookie) I just bust a nut, (Pussy looks like velvet with peaches and cream on top) It ain't nothing to me baby, lemme, (Put that panties to the side) Grab up on that butt,
(That's how we do, I can't sing for shit,
but I'll pull your bitch, wha? I will pull your bitch, beleive that) Thanks for the pussy baby,
Now I gotta go,
You were so freaky, lady,
But you're just another ho,
Thanks for the pussy baby,
Now I gotta go,
You were so freaky lady,
But you're just another ho, Fuck you bitch,
Gonna suck this dick,
Have you ever, ever, been fucked, like a whore, (Give me a lap dance, shit) (Yeah, I'm talkin' about Balls Deep,
pummel, fuckin', and pluggin' that pussy.
Yeah I said pussy, do you like it better when I say cunt?
Does that sound good to your little bitchtified ears?
Or maybe I could just call it... you're pink... cookie,
Would you like me to nibble on your cookie?
Oh yeah... I like when you touch my nipples...) You're a fuckin' pervert! Hey man,
