

I'm Yours

Brandy

Ooh yeah
Aaa aaa
Aaa aaa aaaHow can I let you know
How much you mean to me?
I know sometimes you wonder why
Are you the one that I need?
As sure as I breathe
You are the one for me
(You are the one for me)
And I want you to know ohh
Yea, oh yeah
You fill my heart with love
(Filled my tears with joy)
My tears with joy
And now and forever
I'm yours
(Yours)
With everything you do
(Makes my dreams come true)
My dreams come true
With all of my heart
I'm yoursI think about you all the time
You're always on my mind
The thought of you brings happiness
Inside I know that I am yours
But there's so much more to say
There's something that I got to tell you
So you know that I care, baby
Yea yea
You fill my heart with love
Ahh, my tears with joy
And now and forever
I'm yours
With everything you do
(Makes my dreams come true)
My dreams come true
With all of my heart
I'm yoursWhen I think about you, baby
Joy comes over me, yeah
And when I close my eyes, boy
Your face is all I see
Your eyes tell me that I'm yours

And there's something that I, I got to tell you, yeah
So you know that I care You fill my heart with love
Fill my tears with joy
(Ahh ooh ooh ooh yeah)
And now and forever
(And now and forever, I'm yours, yea yea yea)
With everything you do
(With everything you do)
Makes my dreams
(Makes my dreams come true)
With all of my heart
I'm yours You fill my heart with love
(You fill my heart with love)
And my tears with joy
(Tears with joy)
And now and forever
(I'm always yours)
With everything you do
(With everything you do)
Makes my dreams come true
(Ahh haa haa haa aaa aaa aaa)
With all of my heart
(Ohh yeah, ohh yeah)
You fill my heart
