

You Are Everything

Diana Ross & Marvin Gaye

Oh darling
I wanted to be everything to you
You are everything
Oh you are everything Today I saw somebody who looked just like you
He walked like you do, I thought it was you
As he turned the corner, I called out your name
I felt so ashamed, when it wasn't you, wasn't you You are everything and everything is you
Oh, you are everything and everything is you
Oh, you are everything and everything is you
Oh babe, how can I forget when each face that I see
Brings back memories of being with you
Oh oh darling, I just can't go on living life as I do
Comparing each girl with you, knowing they just won't do
They're not you, no, no baby You are everything and everything is you
Oh, you are everything and everything is you
Oh, you are everything and everything is you
Everything, honey everything, everything, baby
Honey everything is you
Woman you, you are everything I think
Everything, darling everything is you
Baby you, you're everything, everything woman
Oh baby everything is you You are everything and everything is you
Oh, you are everything and everything is you
