

# Holy War

[Alicia Keys](#)

If war is holy and sex is obscene  
Then we got it twisted in this lucid dream  
Baptized in boundaries, schooled in sin  
Divided by difference, sexuality and skin  
So we can hate each other and fear each other  
We can build these walls between each other  
Baby, blow by blow and brick by brick  
Keep yourself locked in, yourself locked in  
We can hate each other and fear each other  
We can build these walls between each other  
Baby, blow by blow and brick by brick  
Keep yourself locked in, yourself locked in  
Maybe we should love somebody  
Maybe we could care a little more  
Maybe we should love somebody  
Instead of polishing the bombs of holy war  
What if sex was holy and war was obscene  
And it wasn't twisted, what a wonderful dream  
Living for love, unafraid of the end  
Forgiveness is the only real revenge  
So we can heal each other and fill each other  
We can break these walls between each other  
Baby, blow by blow and brick by brick  
Keep yourself open, yourself open  
We can heal each other and fill each other  
We can break these walls between each other  
Baby, blow by blow and brick by brick  
Keep yourself open, you open  
Maybe we should love somebody  
Maybe we could care a little more  
Maybe we should love somebody  
Instead of polishing the bombs of holy war  
What if love was holy and hate obscene  
We should give life to this beautiful dream  
Cause peace and love ain't so far  
If we nurse our wounds before they scar  
Nurse our wounds before they scar
