The One

The Chainsmokers

You know, I'm sorry I won't make it to your party Got caught up in my own selfishness It won't let me be a part of this And I know I've started Drifting off every second I can't wait to leave as soon as I arrive I count the secondsDown and down we go We'll torch this place we know Before one of us takes a chance And breaks this. I won't be the one No, I won't be the one I know it's pathetic Fuck it, yeah, I said it Tried to tell it like it is There's a chance that I'll regret it, so Let's go, let's end this I delete before I send it And we can play pretend Like we haven't reached the end yetDown and down we go And we'll torch this place we know Before one of us takes a chance And breaks this, I won't be the one No, I won't be the one (You know, I'm sorry) (I'm sorry) No, I won't be the one No, I won't be the one
