

1+1=2

Lou Bega

back on stage baby here i am
i don't give a damn cause i entertain 'em
i gotta mic in my left hand and a honey on my right
and that is enough to make the vibes feel tight
i feel feel feel feel feel so godd
to bring my swing into your neighbourhood
oh so so so swing the vibe
funky as i am anit't no other tonightBaby show me 1+1=2
show me all the things that you can do
show me that you need me show me that you love me
baby show me 1+1=2
baby show me 1+1=2
show me all the things that you can do
show me that you breathe me show me that you hug me
baby show me that 1+1=2babe i count on you so would you count on me
be my beauty on tv so get out and set me free
i make you understand you are my woman i am your man
and if it takes it all i do all what i can
you are my my my number one
and not my my my number five
so please baby please baby please baby come
please baby come and get into my life
baby show me that 1+1=2
show me all the things that you can do
show me that you need me that you love me
baby show me that 1+1=2
baby show me that 1+1=2
show me all the things that you can do
show me that you breathe me show me that you hug me
baby show me that 1+1=2
