

# Baecation

## A Boogie wit da Hoodie

I took her on a baecation  
She fell in love with the way I tasted  
I fell in love with the way she take it  
Go down on it girl, I know you wanna taste it  
I took her on a baecation  
We ain't even really dating  
I spent a long time waiting  
Go down on me girl, I'm running out of patienceMy name is Artist, I can draw shit  
She be all up in my phone, she just wanna start shit  
She will not leave me alone till I take her shopping  
Louis bag with a stash and her Birkin wallet  
Yeah, let's go on a baecation  
Baby, we can go to Vegas and change locations  
Don't you worry bout a hater, they gon' keep hating  
They sendin' shots, I just dodge like I'm in the Matrix  
Used to school park in the Uber  
Now we taking flights, spending nights in Aruba  
I hope we can do a lot of things, fuck the rumors  
On the beach, Henny Coladas in the cooler  
All the hoes gon' follow, understand that  
If you end up heart broken I didn't plan that  
I wanna take you so far I don't know where to begin at  
Baby girl at least you know where my head at  
So, I took her on a baecation  
She fell in love with the way I tasted  
I fell in love with the way she take it  
Go down on me girl, I know you wanna taste it  
I took her on a baecation  
We ain't even really dating  
I spent a long time  
Go down on me girl, I know you wantI could put you on, I won't do you wrong baby  
You know what you're doing, I just hope you don't play me  
Louis Vuitton don, you know I be going crazy  
Go to San Juan, put you on the front page and  
If they hate girl, fuck 'em they can stay hating  
You can whip the Benzi, let 'em watch us racing and  
When they hear me on the radio station  
They gon' wish they was you but I ain't replacing  
My bitch so expensive  
She listen to me but she never listen  
They tried to push me off my pivot but I'm never tripping  
She never bitch and love to kick it, Rose sipping

I fuck with you but girl don't get it twisted  
It's money over everything so I be getting chicken  
I'm hard to get with so they never got the cash, be slipping  
Put you on a private jet, fuck a plane ticket  
So, I took her on a baecation  
She fell in love with the way I tasted  
I fell in love with the way she take it  
Go down on me girl, I know you wanna taste it  
I took her on a baecation  
We ain't even really dating  
I spent a long time  
Go down on me girl, I know you want
