

Pretty Faced Fool

Jewel

A rose
Will start to fade
Without rain
And some warm sunshine
It'll die
Every time
Fence
You're always on the fence
You're one foot in
And you're back out again
I think it's time I let you know
Babe, I'm lettin' go
You don't have the right to choose
About me and you
What good's a heart that's
too damn tough to break that's
too damn cool to take a chance on love
Yeah, I took a chance on us
Now that I look
Like I'm just a fool I
Think you ought to know you're just
A pretty faced fool who let one get away
Go
Dance in those city lights
'Til you're blind
Then maybe you'll see
It was me
It was me
I'm gonna learn to rise again
Like a thunderbolt, I'll strike again
I ain't gonna let you burn me out
So come on, tell me now
What good's a heart that's
Too damn tough to break that's
Too damn cool to take a chance on love
Yeah I took a chance on us
Now that I look
Like I'm just a fool I
Think you oughta know you're just a pretty faced
Fool who let one get away
What good's a heart that's
Too damn tough to break that's

Too damn cool to take a chance on love
Yeah I took a chance on us
Now that I feel
Like I'm just a fool I
Think you oughta know
You're just a pretty faced fool who let one get away
You let me get away
