

Let's Make a Night to Remember

Bryan Adams

I love the way you look tonight
With your hair hangin' down on your shoulders
I love the way you dance your slow sweet tango
The way you wanna do everything but talk
And how you stare at me with those undress me eyes
Your breath on my body makes me warm inside
Let's make out, let's do something amazing
Let's do something that's all on the way
Cuz I've never touched somebody
like the way I touch your body
Now I never want to let your body go
Let's make a night, to remember
From January to December
Let's make love to excite us
A memory to ignite us
Let's make honey baby soft and tender
Let's make sugar darlin' sweet surrender
Let's make a night to remember all life long I love the way you move tonight
Beads of sweat drippin' down your skin Me lying here and you lyin' there
Our shadows on the wall and our hands everywhere
Let's make out, let's do something amazing
Let's do something that's all on the way
Cuz I've never touched somebody
like the way I touch your body
Now I never want to let your body go
Let's make a night to remember
From January to December
Let's make love to excite us
A memory to ignite us
Let's make honey baby soft and tender
Let's make sugar darlin' sweet surrender
Let's make a night to remember all life long
Ohh when I think about you all the time
Can't you see you drive me outta my mind
Well I'm never holdin' back again
Yeah I never want this night to end
Cuz I've never touched somebody
like the way I touch your body
Now I never want to let your body go
Let's make a night to remember
From January to December

Let's make love to excite us
A memory to ignite us
Yeah, let's make honey baby soft and tender
Oh, Let's make sugar darlin' sweet surrender
Let's make a night to remember all, all life long
Yeah, oh
Let's make out
Let's do somethin' amazing
Let's do somethin' that's all on the way
Everyday, yeah, oh
Let's make honey, yeah
Let's make sugar
Let's make a night to remember, oh
Yeah
Let's, make love, soft and tender
Let's make a night to remember
Yeah!
