Mr. Nice Watch (feat. JAY-Z)

J. Cole

Yeah, everybody got a bad side Drop, let me see that shit What you say Cole ain't hot? What! Where you read that shit? You believe that shit? All cause some lame nigga tweet that shit Have you seen my shows, have you seen my hoes? If I wasn't hot would they be so thick? Guess not, got the game in a headlock I'm blasting at, I'm laughing at you old niggas, Redd Foxx Don't mind me boy, I'm red hot Umm nigga, they not, I'm over here, I'm over there I'm everywhere they not (I said) You'll never play me, nice try Ballin' in the night spot No more Mr Nice guy, hello Mr Nice watch You don't want no problems, put yourself in a tight spot so You can look but don't touch I'll stay on my toes like them White Sox Cause it cost me a lot My chain and my watch They say time is money, but really it's not If we ever go broke girl, than time is all we got And you can't make that back, no you can make that back so Lets ball while we here Lets ball while we here Like ain't no tomorrow, like ain't no next year Drink away all our problems, make it rain with no care Like I'll make that back, fuck it I'll make that back GoNice watch Nice watch (I know) Nice watch No more Mr Nice Guy, hello Mr Nice Watch Stack on black, I ain't never been a high roller Now its racks on racks Never thought that I would ride Rover But I'm back on track, add to the fact that I never really drive sober Cole World but I'm hot as shit Do that mean that I'm Bi-polar? Young black and gifted, I rap like it's Christmas eve

Coach wouldn't let him off the bench, no wonder why they quit the team But. I'm cut from a different sleeve Cole World so the wrist'll freeze Hurry up with your pictures please I gotta make historyIt cost me a lot, my chain and my watch They say time is money, but really it's not If we ever go broke girl, than time is all we got And you can't make that back, no you can't make that back so Lets ball while we here Lets ball while we here Like ain't no tomorrow, like ain't no next year Drink away all our problems, make it rain with no care Like I'll make that back, fuck it I'll make that back GoNice watch Nice watch (I know) Nice watch No more Mr Nice Guy, hello Mr Nice WatchI got a Hublot I call it Tebow I strap that bitch with a Gator band Y'all niggas ball half time ya'll niggas like the gator band Y'all niggas need a timeout, who got these niggas all wind up Cocksucka I'm 7.30, y'all know where you'll niggas gon wind up No more Mr Nice Guy, hello Mr Nice Watch Only but a matter of time 'fore I hit ya'll niggas with the nice shot Y'all niggas, better not call the law Get no blood on my Audemar Meaning ya'll better not waste my time When y'all ready I'll take you all to war Meanwhile I'm just chopping off doors Put the front on the back cause I'm back and forth Put the front on the back of the 'bach like a boss So I fronting on niggas when I'm backing off Uh, what up Cole, show time Let these niggas know Adjust ya Roley's on these muthafucking hoes Whenever you ready, go!It cost me a lot, my chain and my watch If we ever go broke, girl, then time is all we got (Oh yeah, oh yeah) Song Discussions is protected by U.S. Patent 9401941.
