## Can't Stop Me (R3hab & Dyro Mix)

## **Afrojack & Shermanology**

If this was the last dance of the night
Will you join me til the morning light?
Dance the night away cause it feels right
You can't stop me, no-o-oIf this was the last dance of the night
Will you join me til the morning light?
Dance the night away cause it feels right
You can't stop me, no-o-oYou can't stop me, no
You can't stop me, no-o-o
24/7, 365 with you
We know the end is here
You can't stop me, no-o-o
