Quit (feat. Ariana Grande)

Cashmere Cat

And you say that I'm the devil you know And I don't disagree, no, I don't see the harm

They say: "You crazy, just leave him, he'll suffocate you"

But I wanna be in your armsThey say, "No, don't pick up the phone, let them think there's nobody home"

But I'm under your spell

'Cause when you call my heart starts to roll

I always want more

It's my heaven, my hellWe're heading deep

Inside lives a voice, a voice so quiet

But I can't hear that voice when your heart beats next to mine

I can't quit you

I can't quit you

I can't quit you

I can't quit you

Yeah, I'm gonna regret it

Yeah, I'm gonna regret it

Yeah, I'm gonna regret it

I know I'm gonna regret itWhen you said:

"Baby, I just want you to lay me down and we'll fuck the pain away"

'Cause skin on skin, I feel nothing but the burning of desire

And that's just foreplayWe're heading deep

Inside lives a voice, a voice so quiet

But I can't hear that voice when your heart beats next to mine

I can't quit you

I can't quit you

I can't quit you

I can't quit you

Yeah, I'm gonna regret it

Yeah, I'm gonna regret it

Yeah, I'm gonna regret it

I know I'm gonna regret itI can't quit you

I can't quit you, oh baby

I can't quit you

I can't quit you, oh babe

Gonna regret it

Yeah, I'm gonna regret it

Yeah, I'm gonna regret it

I'm gonna regret it

I'm gonna regret it

(babe, babe, babe)

Gonna regret it

Yeah, I'm gonna regret it Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
