

Don't Let Them

Ashanti

Say that you want me, yeah,
Say that you'll never leave me, yeah
You gotta tell me you need me and
Don't let them take your love away Say that you want me, yeah
Say that you'll never leave me, yeah
You gotta tell me you need me, yeah
Don't let them take your love away Some say that I am a fool to love ya, yes
And some say that I am too dumb to know what's right for me
But only I could live my life and only I could feel my heartache I never claim to know
everything, but I know when your love's away
I can't sleep and I can't eat and can't live and I can't breathe
(Can't breathe)
So, don't make a fool of me, just love me, say Say that you want me, yeah
Say that you'll never leave me, yeah
You gotta tell me you need me, yeah
Don't let them take your love away Say that you want me, yeah
Say that you'll never leave me, yeah
You gotta tell me you need me, yeah
Don't let them take your love away Now they say that me loving you, will hurt me, yes
And they say that it's a matter of time before you break my heart
(Before you break my heart) But even when we're far apart, I'll always feel that you are with me
I hope and pray almost everyday that our love never goes away
'Cause I can't see where I would be without your love all over me So, don't make a fool of me,
just love me, say
Say that you want me, yeah
Say that you'll never leave me, yeah
You gotta tell me you need me, yeah
Don't let them take your love away Say that you want me, yeah
Say that you'll never leave me, yeah
You gotta tell me you need me, yeah
Don't let them take your love away Baby, you're all, all that I need
Need in my life right here wit' me
Baby, you're all, all that I need
Needin' my love right here wit' me yeah, yeah Say that you want me, yeah
Say that you'll never leave me, yeah
You gotta tell me you need me yeah
Don't let them take your love away Say that you want me, yeah,
Say that you'll never leave me, yeah
You gotta tell me you need me, yeah
Don't let them take, your love away Say that you want me, yeah
Say that you'll never leave me yeah
You gotta tell me you need me and

Don't let them take your love away Say that you want me, yeah
Say that you'll never leave me, yeah
You gotta tell me you need me, yeah
Don't let them take your love away Yeah, hey
Say that you love and say that you need me
Aah, aah, aah, hoo, ooh, aah, aah, hoo, ooh, aah, oh
Yeah, yeah, yeah, yeah, yeah
