Get Back In My Life

Maroon 5

You are relentless, I am defenseless
Why did you knock me down tonight
You beat me senseless, I just don't get this.
How many times do I have to tryYour whisper so clear, the world disappears
As I fall into the darkness, its impossible to express
How good it feels, I'm wrapped up, I'm sealed
So tired I'll never be free, all night, don't fight the feelingGet back in my life, come knock on my door

You're what I'm looking for, I think you should know
You've started a fire, burned me to the floor
Please don't resist anymore, I'll never leave you alone
Don't reprimand me, you're so demanding
But I've got time, I don't mind at all
You're picture perfect, completely worth it
You've got my back against the wallYour whisper so clear
The world disappears

As I fall into the darkness, impossible to express

How good it feels, I'm wrapped up, I'm sealedSo tired I'll never be free, all night don't fight the feelingGet back in my life, come knock on my door

You're what I'm looking for, I think you should know

You've started a fire, burned me to the floor

Please don't resist anymore, I'll never leave you aloneAnd can you hear me calling I'm screaming, scratching, crawling

You ignore me cause I'm always coming back to you, coming back to you
And you know how much I miss it, and you know I cant resist it
See your lips and just come running, right on back to you, right on back to youGet back in my
life, come knock on my door

You're what I'm looking for, I think you should know
You started a fire, burned me to the floor
I cant do this anymore, I'll never leave you alone
Get back in my life, come knock on my door
You're what I'm looking for, I think you should know
I'll never leave you alone

Get back in my life, come knock on my door
You're what I'm looking for, I think you should know
Get back in my life, come knock on my door
You're what I'm looking for, I think you should know
Get back in my life, come knock on my door
You're what I'm looking for, I think you should know
