

# Just Like Summertime

Charlie Wilson

Baby, you make me feel, you make me feel like...Girl you feel like California  
And we both know it never rains  
Like a barbecue in Georgia  
You're my perfect getaway There's nothin' that I won't do  
Just to make you smile  
Girl you're somethin' special  
You are one of a kind  
Girl you're just like summer time  
When I'm drivin' in my car  
With the top down, you're the one  
Girl the Sun ain't got nothin' on you  
You blow my mind  
Could be freezing cold outside  
With you it still feels like July  
Girl you warm my heart, just like summer time  
Just like summer time  
On a hot day on the corner  
You're my gossip, lemonade  
Like that good potato salad  
That big mama used to make
