Fast Car (feat. Dakota)

Jonas Blue

You got a fast car
I want a ticket to anywhere
Maybe we'll make a deal
Maybe together we can get somewhere
Any place is better
Starting from zero, got nothing to lose
Maybe we'll make something
Me, myself, I got nothing to proveYou got a fast car
And I got a plan to get us out of here
I've been working at a convenience store
Managed to save just a little bit of money
We won't have to drive too far
Just across the border and into the city
You and I can both get jobs
And finally see what it means to be living
You got a fast car
Is it fast enough so we can fly away?
We gotta make a decision
We leave tonight or live and die this waySo I remember we were driving, driving in your car
The speed so fast, I felt like I was drunk
City lights lay out before us
And your arm felt nice wrapped 'round my shoulder
And I, I had a feeling that I belonged
And I, I had a feeling that I could be someone
Had a feeling that I could be someoneYou see, my old man's got a problem
He lives with the bottle, that's the way it is
He says his body's too old for working
His body's too young to look like his
My mama went off and left him
She wanted more from life than he could give
I said, somebody's got to take care of him
So I quit school and that's what I did
You got a fast car
And we go cruising to entertain ourselves
You still ain't got a job
And I work in a market as a checkout girl
I know things will get better
You'll find work and I'll get promoted
We'll move out of the shelter
Buy a bigger house and live in the suburbsYou got a fast car
Is it fast enough so we can fly away?
You gotta make a decision

We leave tonight or live and die this waySo I remember we were driving, driving in your car
The speed so fast, I felt like I was drunk
City lights lay out before us
And your arm felt nice wrapped 'round my shoulder
And I, I had a feeling that I belonged
And I, I had a feeling that I could be someone
Had a feeling that I could be someone
