

# Step Up

## Darin

Huh, Yeah, Red One

Huh, Lets do it again

Yayayay

Ohh

Just watch me girl

Be ready, I'm coming for you

My body just felt it I knew

tonight is the start of something newThe way you dance

makes we wanna get down and show you

that we can become one, not two

As we move to this beat like crazy

Move it, move it, move it, move it

Let's rock it, rock it, rock it, rock it

We can even pop it, pop it, pop it

Tonight is on

Woo!

Girls step up to the party

grab a boy and move your body

Do like me and my honey

Oh Oh Oh Oh Oh OohBoys step up to the party

grab a girl and move your body

Do like me and my shorty

Oh Oh Oh Oh Oh Ooh

Yayayay

(step up, step up, step up, step up)

Ohh

It feels like, we've been doing this for yearsThe crowd is reflecting our moves, amazing what a beat can do

Now follow me (follow me), and pop that body clap your hands

Turn around on one two (say: Oh Oh Oh Oh Ooh)

Move it, move it, move it, move it

Let's rock it, rock it, rock it, rock it

We can even pop it, pop it, pop it

Tonight is onWoo!

Girls step up to the party

grab a boy and move your body

Do like me and my honey

Oh Oh Oh Oh Oh OohBoys step up to the party

grab a girl and move your body

Do like me and my shorty

Oh Oh Oh Oh Oh Ooh

Baby look at us, the way we move

from side to side, it's all so smooth  
With every step we take, it just get better  
Girl no doubt we got it togetherBaby look at us, the way we move  
from side to side, it's all so smooth (Ohh)  
With every step we take, it just get better  
Girl no doubt we got it together  
Girls step up to the party  
grab a boy and move your body  
Do like me and my honey  
Oh Oh Oh Oh OohGirls step up to the party  
grab a boy and move your body  
Do like me and my honey  
Oh Oh Oh Oh OohBoys step up to the party  
grab a girl and move your body  
Do like me and my shorty  
Oh Oh Oh Oh Ooh  
Girls step up to the party  
grab a boy and move your body  
Do like me and my honey  
Oh Oh Oh Oh Ooh  
Boys step up to the party  
grab a girl and move your body  
Do like me and my shorty  
Oh Oh Oh Oh Ooh
