

# Nowhere Fast

## Incubus

Will I ever get to, to where it is that I've been going?  
Will I ever follow through with what I, with what I have planned.  
I guess it's possible that I have been a bit distracted  
and the directions for me are a lot less in demand,  
in demand. Will I ever get to where I'm going?  
If I do, will I know when I am there?  
If the wind blew me in the right direction  
would I even care?  
I would.

I take a look around; it's evident the scene has changed.  
And there are times when I feel improved, improved upon the past.  
Then there are times when I can't seem to understand at all  
and yes it seems as though I'm goin nowhere...  
really fucking fast, nowhere fast. Will I ever get to where I'm going?  
If I do, will I know when I am there?  
If the wind blew me in the right direction  
would I even care?  
I would, I would.

Will I ever get to where I'm going?  
If I do, will I know when I am there?  
If the wind blew me in the right direction  
would I even care?

I would, I would, I would, I would, I would.
