

# All My Life (feat. Burna Boy)

## Major Lazer

How I me do  
Pick up the package dawg  
This a military ting like I come from Afghanistan  
Dressed in camouflage  
Before I turned 21 I was already savage dawg  
I tell ya yeah,  
pull up in a foreign whip, foreign girl ah me passenger  
Let 'em have it dawg  
Call up my manager  
They can pay for the damages  
I hope you're listening  
A me yard and the gyal dem ah visiting  
Eh  
Snapchat dem ah video  
I say which kind level be this o  
My people work, so we get to chop  
Many things they happen wey we never talk  
Me I no dey talk cause you know say I be boss  
I just want the weed and the girls of course I've been waiting all my life for this type of vibe  
Wanna see a million lights, light up my life  
I've been waiting all my life for this type of vibe  
Wanna see a million lights, light up my life When girls come I no wan sit down Mo ma n gbadu

Wanna see a million lights, light up my life  
When girls come I no wan sit down Mo ma n gbadu
